As the sun rose over the Bowl Centre in Reading, 2 teams formed up to battle each other in the noble art of Ten Pin Bowling. It was time for the annual competition between the Southern & Oxford sections of the BMW Motorcycle Club UK.

Both teams consisted of 10 players and a mixture of Ladies & Gents, who would play 1 game and the team with the best overall total would walk away with the trophy. There were trophies also for the highest scoring individual Male & Female competitors. With all these at stake, everyone commenced battle at 10:30am. There were a wide variety of bowling actions with a wide variety of scores on each go. Some high and some low.

Around 11:00am, exhausted and weary, we all gathered to be given the scores, and it is with great pride, I can reveal that the Southern Section came out on top and were presented with a trophy and a box of chocolates. Not only did we win the overall trophy, both the highest scoring Male & Female trophies were won by Dean Carpenter & Ann Robertson respectively from the section.

I would like to thank the Oxford Section for organising the event and to all those members who competed on behalf of the Section. It will be our turn to host the event in 2027 and to hopefully retain the trophy.
